

REFERRAL CONTEST!

RULES

We want to say... THANK YOU! At United States Taekwondo Academy, we appreciate all the families who are part of our community. The biggest compliment we can receive is knowing that your training has positively impacted your life so much that you want to share it with others. To show our gratitude and commitment to our community, we're launching the USTA Reward Contest!

For a limited time, every friend you invite who officially joins USTA gets you one step closer to HUGE rewards!

Here's how it works:

When your invited friend joins and completes their first month's payment, you earn either a USTA Team Jacket or a \$75 Pro Shop Credit.

When three of your invited friends join and completes their first month's payment, you earn \$200 cash.

When five of your invited friends join and completes their first month's payment, you earn an additional \$200 plus a brand new Nintendo Switch 2 set!

That means the more friends who join, the more your rewards add up! Keep sharing and stacking your prizes! It's that simple. Share the gift of martial arts, and when your friends and family officially join USTA and make their first monthly payment, your cash and prizes are locked in!

So, who do you know that could benefit from the confidence, discipline, and strength that martial arts brings? Help us grow our community and get rewarded for making a positive impact! Start inviting today—let's make this the biggest reward contest yet!

CONTEST ENDS SEPT. 30TH
